

PURCHASING PROGRAM

The **WSIPC Purchasing Program** connects education and public agencies to a network of vetted vendor partners, leveraging the power of the WSIPC Cooperative to provide competitively bid goods and services at a reasonable cost.

Each vendor who becomes a part of the WSIPC Purchasing Program has been awarded a bid contract through an official RFP competitive bid process in compliance with Washington State Procurement RCWs.

- For each category, awarded vendors, bid documents, product information, and contact information are available on the WSIPC website at wsipc.org/purchasing/bid-contracts.
- To utilize WSIPC Purchasing Program contracts, entities must have an active purchasing Interlocal Agreement (ILA) in place with WSIPC. Visit wsipc.org/interlocal-agreements to view a list of all active ILAs.
- ✓ To complete an Interlocal Agreement, please contact Cynthia Gefeller, WSIPC Contract Administrator, at cgefeller@wsipc.org.
- Include the WSIPC RFP contract number on all vendor communications, requests for pricing, proposals, and purchase orders.
